Commit to Serve

To the Class of 2023:

*Where do I go from here?
What will my life amount to?
Will I make a difference?
Will the world be better because I lived in it?
Will I amount to something?
Will I matter?*

These were some of the questions I was asking when I graduated high school over 65 years ago. The world has changed a lot since then. A lot! And still these are the questions the class of 1958 was asking, and I know some of these questions are on your mind.

The answer then and the answer now is still the same.

It depends.

Depends on what?

*Well, it sure doesn't depend on me.
It depends on thee!*

*It doesn't depend on the graduation gifts you receive, their size.
It depends on what you prize.*

*It doesn't depend on your friends, relatives, or roots.
It depends on how you put on your boots.*

*It doesn't depend on the graduation line front or back, where you start.
It depends on where you place your heart.*

*No one can decide for you what to do.
Here's the answer! Make big commitments and see them through.*

*I don't know
What your destiny
Will be.
But one thing I know:
The only ones among you
Who will really be happy
Are those who have
Sought and found
How to serve.*
